

Business German Combined Course

**Do you need German for your job and have little time?
We have the answer:**

- 20 small group lessons in the morning
- 10 to 20 lessons of concentrated Business German 1-to-1 (private lessons) in the afternoon
- optimal German language immersion experience: half board-accommodation in a German home stay
- cultural program organized by TREFFPUNKT

Every part of the course can be adjusted to your wishes and needs, for example:

- Business correspondence
- Communication techniques over the phone
- Polished Presentations in German
- Negotiation techniques in German

Do you need special vocabulary for your area of work?
Our teachers are well versed in specific vocabulary for many different businesses and industries!
