

University pathway

You plan to study in Germany? We help you to achieve that goal! In our University pathway program, you do not only learn German intensively - we will also help you with the requirements that have to be fulfilled. We will guide you safely through the bureaucratic maze of German institutions!

Our service for you:

- free placement test
- help with the application at a German university or *Studienkolleg*
- learning guidance during the whole course
- practical lessons on *Studying in Germany*
- in-house language examinations (telc)
- small groups
- 25 lessons per week
- 8 weeks per language level

telc
LANGUAGE TESTS
